# REDS

Welcome to KRL's **R**emote **E**lectronic **D**ata **S**torage System.

The online portal gives you real time shipping information and incorporates many of the following customer features:-

- *Cargo tracking and status updates*
- *Document storage*
- *Accounts information*
- *Warehouse / stock control / inventory visibility*
- *Purchase order management*

Our **REDS** system will give you the ability to store and upload all shipment documentation, including customs paperwork, POD's and buyer / seller own paperwork.

The **WMS** (**W**arehouse **M**anagement **S**ystem) provides online, real time warehouse inventory visibility for our logistics clients.

**To find out more and gain access to this "free of charge" portal, please speak to your local office or representative and ask for further information or a demonstration.**
